UI/UX Designer & AI-Assisted Web Builder

Luton, UK (Remote — UK/EU) · ciprian.titire@gmail.com · +44 7869 059324 · linkedin.com/in/cipriantitire · titi.re

Designer-builder with 20+ years around the web — first sites self-taught in HTML/CSS and Dreamweaver at age 11 — now shipping production websites and app prototypes end-to-end with AI-assisted development workflows (Claude Code, OpenCode, agentic tooling). Psychology-trained, user-centered design approach; Graphic Design undergraduate at LCCA. Targeting remote junior UI/UX, web build, or AI-assisted development roles.

EXPERIENCE

Freelance UI/UX Designer & Web Builder — titi.re

May 2023 – Present

Graphic design freelance since 2015

- Architected and built **NOCTVM** (noctvm.app), a nightlife-discovery PWA for Bucharest — Next.js, Supabase, auth, live map — designed in Figma and developed solo using an AI-assisted agentic coding workflow.
- Designed and launched brand + website for a UK car-detailing startup (ddetailing.co.uk), taking the owner from zero online presence to a bookable business.
- Built titi.re, a WebGL/GSAP portfolio with structured data and SEO/GEO optimization; brand identity and logo commissions for hospitality clients (Cotton Beach, Vintage Pub, Arterria).
- Tools: Figma, Framer, HTML/CSS/JavaScript, Next.js, GSAP, WebGL, Supabase, Vercel, Claude Code/OpenCode, Adobe Photoshop, Premiere.

Delivery Driver (Amazon, via DSPs)

Nov 2019 – Sep 2022 · 2024 – Jul 2026

OneMotion, Fast Despatch Logistics, Swift Transit, DGC Logistics, GBAZ

- Sustained ~5 years of high-volume multi-drop delivery across UK routes with strong on-time and customer-satisfaction record — daily problem-solving, time pressure, and doorstep customer service.

Career development break

2022 – 2024

- Completed a specialized UI/UX design course; rebuilt design practice around Figma and user-centered methods while managing a major life transition.

Visual Artist & Event Planner — glxtch

Apr 2018 – Dec 2020

- Live visuals, projection mapping, and event production for club nights and private events (Constanța, RO).

Event Organizer & Visual Artist — unutrei. / Paranoia 13

Dec 2017 – Mar 2020

- Ran label events end-to-end: booking, stakeholder communication, venue setup, visuals, and on-the-night operations.

Bartender → Bar Manager — Cotton Mamaia

2012 – 2019 (seasonal)

- Rose from bartender to manager in the family beach-bar business; promoted the venue with self-taught design and social media marketing.

Earlier ventures

2015 – 2018

- Co-owner, Arterria Bistro & Gallery (2017–18); owner, Hammock Beach rentals (2017); co-owner, Vape Nation (2015–16) — hands-on experience building, branding, and operating small businesses.
